THE MANAGEMENT

Hello to everyone from Winscombe, we trust they had a safe, uneventful journey to be with us this afternoon. Our opponents today, have struggled for points this afternoon and it's going to take a big turnaround for them to avoid the drop.

However, having conceded 10 goals in our last two home games the result is not a foregone conclusion and we need to work hard on our own personal performances to return to our previous good form.

The players are having a bit of a party in the clubhouse after today's game, so if any of you would like to join us for a few drinks you are very welcome.

Finally, we hope to announce the details of our end of season Presentation Evening in next week's programme, and again if you'd like to join us please feel free.

- Enjoy the game

MINEHEAD 1 LANGFORD ROVERS 2000 4

For the second Wednesday in succession Minehead turned in a sub-standard performance and were well beaten by their mid table visitors from Weston, whose win enables them to leap from over the blues in the league table.

It was Minehead however who came close to taking an early lead when midfielder Luke Bloys sent in a shot destined for the top corner until a superb diving save from visiting goalkeeper Nathan Talbot enabled him to get his finger tips to the ball and push it over the bar for a corner kick. After a quarter of an hour disarray in the home defence allowed Ashley Towers to sneak in at the far post to open the scoring. A few minutes later a carbon copy shot from outside of the box from Bloys failed to trouble the keeper.

Minehead mistakes then gave leading marksman Ryan Havard, who had scored a hat-trick against Watchet the previous Saturday, two glorious opportunities to add to the lead – the first he uncharacteristically allowed Sheehan in the Minehead goal to make a save, however a minute later he beat Sheehan to a loose ball to score with ease. Minutes before half time Leigh White had an opportunity to make it three but shot over the crossbar.

Three minutes after the interval, any hopes the blues had of a recovery were put firmly to the backs

of their minds when Havard scored again with a well placed low shot.

Guy Burns created a chance but shot straight at the keeper and with Minehead fading out of the game three substitutions were made, Jack Groves Furse, Lee Smyth and Luke Freeman replacing Matt Cracknell, Royston Green and Tom Edworthy respectively, but the visitors were now comfortably in control and eight minutes from time Ross Needs completed their tally following another mix up in the defence.

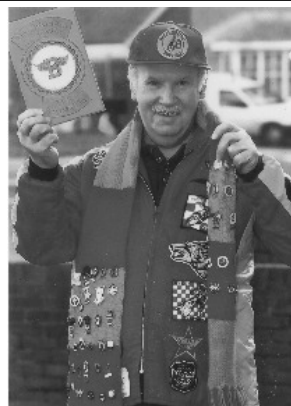

In the dying minutes Luke Bloys scored to gain the blues a morsel of satisfaction from a game in which defence mistakes were capitalised upon by in fairness a more organised team on the night who took the majority of their chances.

As a club we are very conscious that any support, whether dressed up as partnerships sponsorship or advertising, should not be viewed purely as a one-way contribution.

This season we have created a brand new web-site, where all supporting businesses are strongly featured, along with links to their own web-site if required.

Supporters, vice presidents, committee members and players alike, are strongly encouraged to patronise sponsors. It is of great importance that they see the benefit of any association with us.

Inside the clubroom, a "SPONSORS BOARD" displays business sponsors.

A 12 page colour brochure is available giving further details of all packages available.

For a copy of the brochure, or to check availability and how we can help promote your business please contact our Sponsorship Co-ordinator Clara Lawrie on 01643

709541 or email clara.lawrie@mineheadafc.co.uk

THE CHAIRMAN'S RAVE

(Rants no longer being allowed)

Good afternoon to you all as we bid a warm welcome to the players and officials of Winscombe for what is our penultimate home match of the season. Much earlier in the season we dropped two points when we visited Winscombe for our first away game. A very late equaliser stopped 16 year old substitute Liam Snell's 80th minute goal from being the winner. Liam unfortunately sustained a bad injury when he came on as a substitute at Cheddar, and has not played since. We understand that he is improving but it could be well into next season before we see him in action again.

This season's Gerry Hatrick Trophy is yet to be decided, and with 2 home games remaining it is still possible for any one from 12 players to top the table - though three of those 12 are unlikely to feature this afternoon. The

awards are made by the anonymous Gerry Hatrick based on performances of players at each home game.

The Supporters Player of the Season closes today, so any home supporters who wish to register their vote, please pick up a form from one of the gatemens, or from myself, and when it has been completed hand it in to Trish, and the winner will be announced next Saturday at our final home game against Stockwood Green.

With the season drawing to a close I won't get many more chances to bore the insomniacs amongst you with some historical statistics, so on the page opposite there is a list of Minehead's all time top appearance makers, and another list showing the top goalscorers. All players who have appeared in the past six seasons are highlighted.

CIRCULAR FROM THE ERREA LEAGUE

Social Networking Sites

The use of social networking sites is very much part of everyday life and it is therefore appropriate to remind ALL club members of their responsibilities with regard to published material. It is not the intention of the Errea Somerset County League to discourage the use of such sites but club members should be aware of the implications of publishing inappropriate comments regarding any aspect of football. Any postings which overtly criticise or ridicule The FA, Leagues, Opponents or Match Officials which bring the Game into disrepute, and can be attributed to a club member will leave that club open to severe sanction. The Football Association has issued a similar statement to Match Officials.

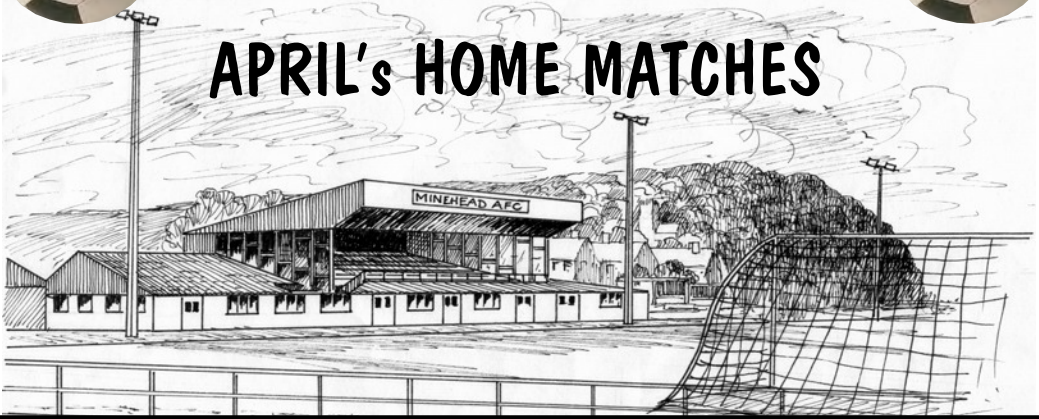

This is in line with current legislation regarding comments made in the media and on club websites and it must be pointed out that this extends to the social networks and any other readily accessible public information system.

There is a clearly defined avenue for airing comments and grievances, which must be through official channels. Individuals with comments to make involving any aspect of the Errea Somerset County Football League should direct those comments through their club secretary who will, in turn, contact the appropriate Officer of the League.

THE RETURN OF GERRY HATRICK

The Gerry Hatrick Man of the Match Trophy, is awarded to the Minehead player whose performance most catches the eye at each home match. Adjudicated by the mysterious Gerry Hatrick (pronounced "geriatric"), the player winning the accolade on the most occasions will be presented with the prestigious Gerry Hatrick trophy at the end of the season. The Star Ratings, give a more detailed insight into each player's individual form fluctuations throughout the length of the season, but should be largely taken as a bit of fun.

NON-LEAGUE NEWS

A West Country Round-Up provided by Tim Rawlings

On Tuesday evening Watchet Town returned to winning way with a resounding 4-0 home win over neighbours Bishops Lydeard. Adam Jeffries gave the hosts a half-time lead and Aaron Deeks doubled the advantage on the hour. After the break Watchet completed the job with further strikes from Jeffries and substitute Paul Raymond. The victory leaves Watchet still in third place in the Errea Somerset County Premier Division, nine points behind leaders Cheddar with five matches in hand. Brislington Reserves sealed an important win at the bottom end of the table by beating visiting fellow strugglers Winscombe by three goals to one. The result leaves Winscombe still stranded at the foot of the table by a two point margin but Brislington, although still third from bottom, are now just three points behind fourth from bottom side Glastonbury Town. The following evening as Minehead slumped to a very disappointing 4-1 home defeat against Langford Rovers, Shirehampton moved to within just points of Cheddar following another goal feast, 6-3 at home to St. George Easton in Gordano. Second placed Shirehampton are now in pole position to claim the title as they have four matches in hand on leaders Cheddar, who surprisingly lost 3-0 at Ashton and Backwell. Nailsea won their local derby at Clevedon United by a solitary goal, meaning they now climb to fourth in the table. Taunton Blackbrook were held to a goalless draw at home against struggling Castle Cary.

Meanwhile the Board of Mangotsfield United have issued a statement to say they wish to withdraw the reserve side from the Errea Somerset County Premier Division. The statement read "Due to Mangotsfield United's current financial situation the board have agreed with some regret that it is no longer viable to run a Reserve team. The necessary notification has been sent to the Somerset County League informing them of their withdrawal at the end of the 2010/11 season."

There appears to be no end in sight to the success story enjoyed by Truro City. The Zamaretto Southern League leaders are on the brink of another promotion, this time to the

Conference South. The Cornish side moved three points ahead of second placed Salisbury City with just three games to go, following a 2-1 win at Chippenham Town on Saturday. Trailing to Jamie Guthrie's 73rd minute opener, before Marcus Martin levelled with his head eight minutes later. Truro's match winner was former Exeter City midfielder Andy Taylor who headed the league leaders 90th minute winner. He swooped to head home from close range after Barry Hayles' strike looped up off Chippenham keeper Chris Snoddy. Truro boss Lee Hodges said "Barry's shot must have flown up 30 feet off the keeper and Andy was the quickest to get there when it dropped. We were all off the bench and I am delighted for the 100 or so fans who travelled up – it was a great moment to celebrate." Salisbury slumped to a surprise 3-0 defeat to Evesham United, their third loss in five games. Truro's superior goal difference effectively means they can clinch promotion by winning two of their last three games. Today they host Leamington, 3-2 winners over play-off rivals Chesham United.

Still in the Zamaretto League, it is quite possible that Almondsbury Town could be forced to disband at the end of the current campaign unable to find a new home. The Gloucestershire FA, who are landlords of Oaklands Park home of Almondsbury, have informed the club their lease will not be renewed at the end of the season. Talks have been held with Clevedon Town and Toolstation Western League club Hallen, but no suitable alternative has been found. This is a club with a decent history having reached the final of the F.A. Vase in 1979 and won the Hellenic Premier Division in 1983-84 and 2009-10. The problem surfaced when Gloucestershire FA told Almondsbury they could not use the clubhouse this season, forcing them to use the facilities of North Bristol Rugby Club and denying them a valuable source of revenue. Furthermore the GFA have confirmed that Winterbourne United and Roman Glass St. George have agreed deals to play at Oaklands Park for the next three seasons.

Bridgwater Town have confirmed that Rob Dray will remain in charge next season. Dray

NON-LEAGUE NEWS

A West Country Round-Up provided by Tim Rawlings

has had a difficult job following the departure of Craig Laird who was appointed manager of

Weston-Super-Mare. Most of the Bridgwater squad followed Laird, meaning Dray has virtually had to re-build from scratch. The Bridgwater squad currently contains three ex-Minehead players namely Lee Nunn, Simon Lyons and Shaun Kenny, not forgetting Assistant Manager Steve Perkins.

Bath City are enjoying a fine first season back in the Blue Square Conference even though they were beaten 3-1 on Saturday after a mammoth trip to Darlington. The Bath consolation goal was scored by Lee Philips, a player who has hit the goal trail wherever he has been. Cornwall born Philips represented England in rugby union at under-15 level before he decided to concentrate his efforts on football. He joined Plymouth Argyle as a youth player and became the youngest player to appear for Argyle

first team aged just 15 years old in season 1996-97. During his time at Plymouth, Philips just managed the one league goal before drifting into Non-League football. The now 30-year-old has worn the colours of several Westcountry clubs including Weymouth, Torquay and Exeter City, not to mention his current club Bath City. In his spell at Weymouth (2001-2005) he was top scorer in every season before moving to Exeter City following the Dorset clubs' financial troubles. Philips had the distinction of scoring Exeter's goal at the new Wembley play-off final which the Grecians lost 2-1 to Morecambe. The strong hard working forward has come close to getting back in the Football League with clubs such as Torquay, Exeter and Cambridge, so no doubt next season he will be hoping to go one better with Bath City.

MINEHEAD AFC

THE STORY SO FAR.....

Minehead Football Club was originally founded in 1889 and spent their early years in local competitions. They entered the Western League at the start of the 1924/25 season, but after Division 2 had diminished to just 8 clubs returned to the Somerset Senior League for 1928/29, remaining in the league until WWII. After the hostilities the club enjoyed success in firstly the North Devon Senior League, followed by the East Devon and Exeter League, returning to the Western League ranks for the 1949/50 season. The club turned semi-professional in 1950/51 under former Exeter City captain Steve Walker, and in the late fifties became one of the strongest forces in the league under the guidance of Bristol based Ron Gingell. Though they remained in the Western League for 23 seasons, in spite of being one of the most consistent teams in the league, Minehead never actually won the Western League Championship, although they finished as runners-up twice (in 66/67 and 71/72).

They joined the Southern League in 1972, finishing 5th in Division One (South). The following season saw them improve slightly by finishing 4th, followed by 3rd in 74/75. In the 75/76 season the club improved yet again to carry off the league title as champions, plus winning the Southern League Merit Cup by scoring more goals than any other club in the competition (all 3 divisions). Andy Leitch lead the charge with 36 goals, (the highest tally recorded while Minehead were a Southern League side), closely followed by Jimmy Jenkins and Derek Bryant who both managed 30. The next season, the most successful in it's roller-coaster history, saw Minehead finish as runners-up to Wimbledon, as well as reaching the 2nd Round Proper of the FA Cup for the first time, when they were beaten 2-1

by Portsmouth at Fratten Park, witnessed by more than 16,000 spectators. At this stage the club were considered to be amongst the top 6 non league clubs in the country, reflected by being invited to represent England in the Non League Anglo-Italian Cup competition during 1978. Having won both matches at home, Minehead lost both return matches in Italy, one of which was against Udinese. Within a few short years Udinese had progressed through to the Italian 1st Division, with their ground being chosen as a venue for the World Cup finals in 1990.

More history was created the following season when striker Andy Leitch found his name in the record books by scoring in 6 consecutive FA Cup matches, equalling Jeff Astle's record. Leitch had a scorching header hooked off the line with the keeper beaten during Minehead's 2nd Round Proper tie at home to Exeter City, which would have given him the record outright. Minehead were beaten 3-0 by the Devon club, a tie which attracted the club's second highest home attendance of 3,050.

Though the club were still a cup force to be reckoned with, their stunning strike partnership of Leitch, Jenkins and Bryant parted company. Struggling to score goals they were relegated from the Southern League Premier Division, finishing 17th of 20, just one point from safety. However the name had been put firmly on the non league map. On the occasion of the Southern League's centenary year (1994) manager Bob Boyd was chosen as one of the top one hundred managers in it's history, where his name stands proudly alongside such names as Malcolm Allison, Ron Atkinson and Barry Fry.

The 79/80 season saw a restructuring of the non-league pyramid, with the "creation" of

the Alliance Premier League (now the Conference League). The Southern League, 13 clubs in the switch, losing opted for a Midland/Southern divide. Minehead competed in the Midland Division, and after leading the division from January, finally finished as runners-up to Bridgend. Season 80/81 saw them finish 12th, however the club were starting to experience financial problems, and the decision was made to withdraw from the Southern League at the end of the 82/83 campaign.

Back in the Western League, the team were brought back to reality with an 8-0 thrashing at Frome Town on the opening Saturday of the new season. Relegated to the First Division in 1989, the following year saw things get progressively worse, finishing bottom of the lower league. With no relegation that season, the blues lived to fight again, and the following season manager Andy Hodgson led a locally based team to the First Division Championship, gaining a record number of points. Teenage striker Gareth Morgan scoring 44 times in 40 appearances, which remains a Western League record for the club.

Further off the pitch problems soon hit the club and in the 93/94 season with 6 points

being deducted the side were relegated again, staying in the First Division until 98/99 when they won the championship. Their only league defeat came in the final match, away to neighbours Ilfracombe, having been presented with the trophy several games earlier. The high point of this season again being a lethal strike partnership, this time between Nick Woon, Gareth Morgan and Jason Charlesworth. All three appearing in the Western League's top six scorers, with over 30 goals each.

On their arrival back in the Premier Division finances had dried up, with many of the successful team moving on. Woon stayed, and was again amongst the top scorers in the league, however his goals alone could not prevent the side finishing bottom, avoiding relegation due to a restructuring of the league. The club were relegated the following season however, and languished near the bottom of the First Division ever since.

At the end of the 2009-10 season the club finished ten points adrift at the bottom of the table, and having flirted with relegation for several seasons were relegated into the Errea Somerset County League Premier Division. Robbie Hopkins remains in charge with Paul Newbold as his assistant as the club looks to re-establish itself and to build again for the future.
