THE MANAGEMENT

Good afternoon to you all and welcome to The Rec for our final home game of the season, with Stockwood Green as our opponents. Our first ever match against them was in November on their ground when neither side managed to score. They are currently a point below us with a game in hand, so their should be no reason for this to turn into an end of the season match, with both of us looking to finish in the top half of the season.

After today's match we finish the season with five tough away matches, two against teams currently on the same number of points as us (Bishops Lydeard and Clevedon Utd), and three against teams

who will almost certainly finish in the top five of the table, starting with Easter Monday's trip to neighbours Watchet. I look forward to seeing as many supporters as possible at The Memorial Ground on Monday, and that many of you will join us on the stream train (see opposite page).

Newy and I would like to take the opportunity to congratulate Chris Meredith (pictured) who completed the Brighton Marathon a couple of weeks ago. From what he has told us it was obviously a hugely satisfying occasion.

- Enjoy the game

Robbie & Newy

MINEHEAD 2 WINSCOMBE 2

Another patchy home performance from Minehead saw them held by bottom of the table Winscombe on Saturday.

Minehead found themselves under early pressure and they went a goal down after 15 minutes when Royston Green was adjudged to have handled the ball in the penalty area, and Ashley Brown score from the spot.

With Luke Bloys and Matt Cracknell having gone close to scoring for the Blues the visitors went further ahead when a flighted cross by Neil Andow eluded Chris Meredith and finished in the back of the net.

Two minutes after the interval Minehead eventually made a mark on the game when Guy Burns broke clear of the defence to round the advancing

keeper and place the ball into the net.

At last the Blues were now looking the better team and after 63 minutes they equalised when leading scorer Luke Freeman scored from close range after good work by Matt Cracknell.

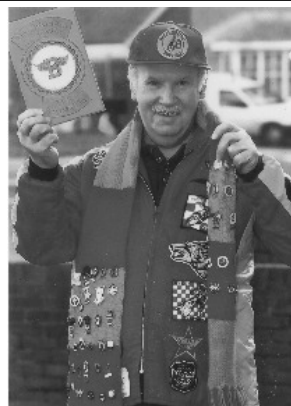

With 15 minutes to go Minehead were unlucky when Guy Burns hit an upright and with only ten minutes remaining Meredith came to the rescue when he turned an effort by Brown over the crossbar.

Though Minehead finished the game strongly they could not find the winning goal, and have now gained just one point from their last three home games. Good news for home fans though were the cameo appearances of Stefan Phillips and Nick Phillips who came on as late substitutes with both having been out for several weeks through injury.

As a club we are very conscious that any support, whether dressed up as partnerships sponsorship or advertising, should not be viewed purely as a one-way contribution.

This season we have created a brand new web-site, where all supporting businesses are strongly featured, along with links to their own web-site if required.

Supporters, vice presidents, committee members and players alike, are strongly encouraged to patronise sponsors. It is of great importance that they see the benefit of any association with us.

Inside the clubroom, a "SPONSORS BOARD" displays business sponsors.

A 12 page colour brochure is available giving further details of all packages available.

For a copy of the brochure, or to check availability and how we can help promote your business please contact our Sponsorship Co-ordinator Clara Lawrie on 01643

THE CHAIRMAN'S RAVE

(Rants no longer being allowed)

With this being the last home match of the season I would like to pay tribute to the people who have helped make this in my opinion the most enjoyable season for very many years.

Firstly, as it is them we turn up to watch every week, I'd like to thank each and every one of the players who have worn the Blue Shirt this season. As the league table stands at the moment we have won more games than we have lost, and scored more goals than we have conceded. This hasn't happened since winning the Western League First Division in 1998/99.

Robbie and Newy have worked very hard not only managing the side but also have spent countless hours preparing the pitch and doing other tasks not normally associated with managing football teams.

Knowing how much work goes on behind the scenes, I'd like to globally thank each and every committee member for their commitment this season, and I'm sure that like me this has been a rewarding season for all of them.

Dave Burr and Micky Armitage have tried hard during what turned into a long season for our Reserve XI, who now await other clubs' results before knowing whether they are relegated or not.

Finally I would also like to thank all of our generous sponsors, who have ultimately made another season at The Rec possible. Today we welcome Adrian Ryan and some of his colleagues from one of Minehead's biggest success stories Snazaroo, whose sponsored game it is today. Sponsors are the lifeblood of the club and we would certainly not have survived recent years without them.

Whilst on the subject of lifeblood I would like to congratulate our U15 side on a wonderful season which saw them win their league and narrowly lose the cup final last Saturday which was played at Taunton's Wordsworth Drive ground. Dozens of helpers are involved in our Youth set up and they too deserve praise being heaped on them.

The club's Presentation Evening now looks like being held on Friday 20th May, here at the club. We will have to wait and talk to the newly appointed town council before we can officially announce the event, so please keep your eyes on the sports page of the Free Press for final details.

On the page opposite there is a list of Minehead's all time top appearance makers, and another list showing the top goalscorers. All recent players (who have appeared during the past six seasons are highlighted).

See you all next season !!

THE RETURN OF GERRY HATRICK

The Gerry Hatrick Man of the Match Trophy, is awarded to the Minehead player whose performance most catches the eye at each home match. Adjudicated by the mysterious Gerry Hatrick (pronounced "geriatric"), the player winning the accolade on the most occasions will be presented with the prestigious Gerry Hatrick trophy at the end of the season. The Star Ratings, give a more detailed insight into each player's individual form fluctuations throughout the length of the season, but should be largely taken as a bit of fun.

NON-LEAGUE NEWS

A West Country Round-Up provided by Tim Rawlings

Congratulations must go to our neighbours Watchet Town who have reached the final of the Somerset County Senior Cup following their Semi-Final victory last Saturday. Once again it took extra-time before they defeated hosts Ashton and Backwell by a single goal. The all important goal came eight minutes into the second period of extra-time as teenage substitute Ryan Jones and Eben Harding combined to set up John Harris who toe poked the ball home from 12 yards. This sets up a final with Nailsea United who won 3-2 at today's visitors to the Rec, Stockwood Green. It was Nailsea who opened the scoring after 25 minutes through a James Taylor low shot after being set up by Ryan King. It only took the hosts ten minutes to level matters before King again fired Nailsea ahead from a long free-kick after 37 minutes. Early in the second-half Nailsea went 3-1 ahead when Alex Goodwin curled in a shot from the edge of the penalty area. Stockwood Green reduced the deficit to 3-2 on 65 minutes but despite piling on the pressure they were unable to prevent Nailsea reaching the County Cup Final. Shirehampton are now looking odds on to take the Errea Somerset County Premier League title following a convincing 5-1 win at recent visitors here at the Rec, Langford Rovers 2000. Cheddar, who were not in action on Saturday, now trail leaders Shirehampton by a point, but significantly the Bristol based side have three matches in hand. There was little change at the bottom end of the table despite basement club Winscombe taking an unexpected point in a 2-2 draw here at the Rec. Glastonbury Town are still in danger of ending the campaign in the bottom three after slipping to a 1-0 reverse at St. George Easton in Gordano, whilst Brislington Reserves picked up a point in a 1-1 draw at Bridgwater Reserves. The result leaves Brislington still third from bottom, but just two points adrift of Glastonbury. Mangotsfield United Reserves, who have decided to quit the league next season, were unable to improve their lowly position as they went down 2-0 at home against Bishops Lydeard. Meanwhile Cutters Friday moved up to fourth place in the table by winning 3-1 at home against Clevedon United. The home side went ahead on five minutes as David O' Riley

netted from close range following a corner and the hosts increased the lead after 26 minutes as Ryan Bending converted a penalty kick. Scott Saunders secured the points by firing into the top corner in the 66th minutes although Clevedon did manage a reply as Damien Thorn lashed home a free-kick.

Larkhall Athletic clinched the Toolstation Western League Premier Division championship on Saturday for the first time in their history. Their 1-0 home win over Ilfracombe Town came courtesy of a 92nd minute goal from Nat Auckland. Larkhall's nearest challengers Bitton achieved a thumping 4-0 win at Barnstaple Town to keep them on target for runners-up spot. A second minute goal from Lee Rundle set Bitton on their way and the advantage was doubled six minutes later as Brendon Barnes lashed home a left footed effort. Mark Salter added Bitton's third from the penalty spot and the home sides' misery was complete when Dave Burborough netted ten minutes after the restart. Wellington got off to a dream start when Craig Herrod chipped the Bishop Sutton keeper after just three minutes but the third placed visitors earned a 1-1 draw as Liam Farmer drove home on 64 minutes for a deserved point. The result still leaves Wellington five points from safety with just two games remaining. Dawlish followed up their midweek 3-0 home win over Larkhall, with another goal glut as they thrashed visitors Hallen 6-1. Player manager Gary Fisher opened the scoring on four minutes and the lead was extended three minutes later by Karl Baker. Just before the break Liam McAuley picked up a 40-yard pass from Dean Stevens to make the score 3-0. Stevens despatched a penalty just after the break and Karl Baker got his second just before Hallen pulled a goal back on the hour. The comprehensive victory was completed for Dawlish when Stevens poked home a right footed effort to make it 6-1.

Elmore, who are almost certain to finish bottom of the Toolstation Western League First Division, put up brave resistance but still went down 2-1 at Calne Town. Goals from Glenn Armstrong and Reece Gilliver proved enough even though Tom Kelly pulled a goal back from a 25-yard free-kick for Elmore three minutes from time. The battle to avoid the bottom two is still very much on, but Portishead

who currently occupy that spot, crashed to a 5-1 home defeat at the hands of third placed Cadbury Heath. The visitors raced into a five goal lead inside 33 minutes with strikes from Will De Wet, Toby Colbourne(2), Sacha Tong and George Boon whilst Portishead had to wait till nine minutes from time to net a consolation goal through Miles Farrier. Roman Glass St. George who sit just a point above Portishead had the envious task of visiting Champions Merthyr Town. Needless to say the Welshmen ran out winners by a 3-0 margin thanks to goals from Craig Stiens, Joe Leahy and Steve Williams. Westbury gave themselves a lifeline as they climbed to fourth from bottom following a 2-1 win at mid-table Hengrove Athletic. Mathew Mead gave Westbury the lead against the run of play after ten minutes before James Dunn equalised for the home side ten minutes later. It was left to Aaron Houghton to head home a late dramatic winner for Westbury to

gain three vital points. Bridport are now looking good for runners-up spot in the First Division following their latest 5-1 home win against Shrewton United thanks to goals inside 53 minutes from Darren Watts, Crit Clarke, Dan Wise (2 pens) and Matt Condliffe.

Watchet Town improved their chances of claiming runners-up place in the Errea Somerset County Premier League after winning 3-1 on their visit to Taunton Blackbrook on Tuesday evening. Watchet took a second-half lead through John Harris before Blackbrook equalised from a Corey Lewis penalty ten minutes from time only for the visitors to take the points with late goals from Harris and Jason Strong. The win leaves Watchet six points behind Cheddar with four matches in hand.

MINEHEAD AFC

THE STORY SO FAR.....

Minehead Football Club was originally founded in 1889 and spent their early years in local competitions. They entered the Western League at the start of the 1924/25 season, but after Division 2 had diminished to just 8 clubs returned to the Somerset Senior League for 1928/29, remaining in the league until WWII. After the hostilities the club enjoyed success in firstly the North Devon Senior League, followed by the East Devon and Exeter League, returning to the Western League ranks for the 1949/50 season. The club turned semi-professional in 1950/51 under former Exeter City captain Steve Walker, and in the late fifties became one of the strongest forces in the league under the guidance of Bristol based Ron Gingell. Though they remained in the Western League for 23 seasons, in spite of being one of the most consistent teams in the league, Minehead never actually won the Western League Championship, although they finished as runners-up twice (in 66/67 and 71/72).

They joined the Southern League in 1972, finishing 5th in Division One (South). The following season saw them improve slightly by finishing 4th, followed by 3rd in 74/75. In the 75/76 season the club improved yet again to carry off the league title as champions, plus winning the Southern League Merit Cup by scoring more goals than any other club in the competition (all 3 divisions). Andy Leitch lead the charge with 36 goals, (the highest tally recorded while Minehead were a Southern League side), closely followed by Jimmy Jenkins and Derek Bryant who both managed 30. The next season, the most successful in it's roller-coaster history, saw Minehead finish as runners-up to Wimbledon, as well as reaching the 2nd Round Proper of the FA Cup for the first time, when they were beaten 2-1

by Portsmouth at Fratten Park, witnessed by more than 16,000 spectators. At this stage the club were considered to be amongst the top 6 non league clubs in the country, reflected by being invited to represent England in the Non League Anglo-Italian Cup competition during 1978. Having won both matches at home, Minehead lost both return matches in Italy, one of which was against Udinese. Within a few short years Udinese had progressed through to the Italian 1st Division, with their ground being chosen as a venue for the World Cup finals in 1990.

More history was created the following season when striker Andy Leitch found his name in the record books by scoring in 6 consecutive FA Cup matches, equalling Jeff Astle's record. Leitch had a scorching header hooked off the line with the keeper beaten during Minehead's 2nd Round Proper tie at home to Exeter City, which would have given him the record outright. Minehead were beaten 3-0 by the Devon club, a tie which attracted the club's second highest home attendance of 3,050.

Though the club were still a cup force to be reckoned with, their stunning strike partnership of Leitch, Jenkins and Bryant parted company. Struggling to score goals they were relegated from the Southern League Premier Division, finishing 17th of 20, just one point from safety. However the name had been put firmly on the non league map. On the occasion of the Southern League's centenary year (1994) manager Bob Boyd was chosen as one of the top one hundred managers in it's history, where his name stands proudly alongside such names as Malcolm Allison, Ron Atkinson and Barry Fry.

The 79/80 season saw a restructuring of the non-league pyramid, with the "creation" of

the Alliance Premier League (now the Conference League).

The Southern League, 13 clubs in the switch, opted for a Midland/Southern divide. Minehead competed in the Midland Division, and after leading the division from January, finally finished as runners-up to Bridgend. Season 80/81 saw them finish 12th, however the club were starting to experience financial problems, and the decision was made to withdraw from the Southern League at the end of the 82/83 campaign.

Back in the Western League, the team were brought back to reality with an 8-0 thrashing at Frome Town on the opening Saturday of the new season. Relegated to the First Division in 1989, the following year saw things get progressively worse, finishing bottom of the lower league. With no relegation that season, the blues lived to fight again, and the following season manager Andy Hodgson led a locally based team to the First Division Championship, gaining a record number of points. Teenage striker Gareth Morgan scoring 44 times in 40 appearances, which remains a Western League record for the club.

Further off the pitch problems soon hit the club and in the 93/94 season with 6 points

being deducted the side were relegated again, staying in the First Division until 98/99 when they won the championship. Their only league defeat came in the final match, away to neighbours Ilfracombe, having been presented with the trophy several games earlier. The high point of this season again being a lethal strike partnership, this time between Nick Woon, Gareth Morgan and Jason Charlesworth. All three appearing in the Western League's top six scorers, with over 30 goals each.

On their arrival back in the Premier Division finances had dried up, with many of the successful team moving on. Woon stayed, and was again amongst the top scorers in the league, however his goals alone could not prevent the side finishing bottom, avoiding relegation due to a restructuring of the league. The club were relegated the following season however, and languished near the bottom of the First Division ever since.

At the end of the 2009-10 season the club finished ten points adrift at the bottom of the table, and having flirted with relegation for several seasons were relegated into the Errea Somerset County League Premier Division. Robbie Hopkins remains in charge with Paul Newbold as his assistant as the club looks to re-establish itself and to build again for the future.
